

Under-09

21 teams in two groups of 11 and 10 teams. Each team will play 2 games in round 1. Ten (10) teams make the next round. The top three teams from each group will advance directly to the single elimination Q-Finals. The 4th place teams from each group plus the next two teams (wildcards) will advance to the Round of 16. Note: the tournament director has the right to shuffle the single elimination game opponents so that teams will not play the same team they played in the first round. In case of a tie in a single elimination game, the match will go directly to penalty kicks to determine the winner.
