

## Under-11

17 teams in two groups of 9 and 8 teams. Each team will play 2 games in round 1. Eight (8) teams make the next round. The top three teams from each group and the next two top teams (wildcards) will advance to the single elimination Q-Finals. Note: the tournament director has the right to shuffle the single elimination game opponents so that teams will not play the same team they played in the first round. In case of a tie in single elimination games, the match will go directly to penalty kicks to determine the winner.
