

Under-16

9 teams in one group. Each team will play 2 games in round 1. Four (4) teams make the next round. The top four teams will advance into the single elimination Semi-Finals. Note: the tournament director has the right to shuffle the Semi-Final game opponents so that teams will not play the same team they played in the first round. Each team in the Finals will receive uniforms that must be worn in the final. In case of a tie in single elimination games, the match will go directly to penalty kicks to determine the winner.
